PLEASE SUPPORT US

New Ark has been hit hard by COVID-19 and the subsequent restrictions and lockdowns. Our whole childcare and support provision had to close, although we continued to care for the welfare of our animals on our city farm. As a charity, we rely heavily on volunteer's assistance, donations and our fundraising events, which we could not hold in lockdown.

Our funding from Peterborough City Council has been totally withdrawn. Inflationary pressures, the energy crisis and funding loss has put us under considerable financial pressure.

New Ark has been bringing joy to the children of our community for more than forty years, and we want to secure its future for many more years to come. We urgently need funds to keep New Ark viable and a source of enjoyment, enrichment and happiness for many future generations of children.
